

Aquila Innovations

Internship Completion Certificate

This is to certify that Ms. D. Padmaroopa has successfully completed a 30-Day Intensive Internship Program at Aquila Innovations from 14 June 2025 to 15 July 2025.

During the internship, she gained practical exposure to Python Programming and actively participated in learning and applying the following:

- 1. Python Programming:** Learned Python basics, functions, OOP, file handling, and basic programming concepts.
- 2. Practical Python:** Applied Python knowledge through programming exercises, problem-solving activities, and practical assignments.
- 3. Problem Solving:** Developed logical thinking and problem-solving skills by creating and practicing Python programs.

Throughout the internship, Ms. D. Padmaroopa demonstrated enthusiasm for learning, dedication, discipline, and a positive attitude toward developing her programming skills. She showed good problem-solving ability and sincere interest in applying her knowledge through practical

We appreciate her sincere efforts and participation during the internship and wish her continued success in her academic pursuits and future professional endeavors.

Best Regards,
For Aquila Innovations,
